Sep 8, 2025	4	Discuss about upcoming schedule, confirmed log file output.

These past two weeks, I've had to prepare for the IELTS exam, so I haven't had much time for the project. I confirmed with Yaolong which fields his program's log file could output, and then I modified my program accordingly. In addition, we discussed the upcoming schedule.

The folders I have checked in the repo are as follows:

- implementation\dataAnalysisPrograms\loadData.py
- Implementation\DataAnalysisPrograms\VehiclePerformanceEvaluation\dailyVehiclePerformanceModel.py
- Implementation\DataAnalysisPrograms\PlayerPerformanceEvaluation\dailyPlayerPerformanceModel.py
